DELEGATES CONVENE AT SECOND
MEETING OF CONVENTION

With the final event of a three day sojourn in New York City scheduled for this evening, the 16th Annual Convention of Alpha Phi Delta becomes history in the annals of our fraternity.

The Convention Kleos expresses its most sincere congratulations on behalf of the delegates and visitors to those men who spared neither time nor energy in making this the "Best Ever" Annual Convention.

The Convention Kleos also wishes to take this opportunity to congratulate both the new incoming officers and the retiring officers.

We also wish to thank Peter Sammartino for the kind encouragement given to us in publishing this paper, and while on the subject of thanking, we also extend most hearty thanks to Mr. Walz of the Hotel New Yorker for his much needed assistance and co-operation.

The second meeting of the convention period was called to order by Grand Consul Peter Sammartino at 10:25. After the roll had been called it was found that 16 delegates were absent from the assembly room.

After all preliminary discussions had been dispensed with, Dr. Guarini, fourth pro-consul, got up and gave his report. It dealt with prospective chapters for the fraternity. According to Dr. Guarini, Maine Tufts and Boston have an abundance of good material for Alpha Phi Delta.

Grand Historian Frank Pagano also gave a report at this meeting. He gave a brief, yet concise, summary of the work that he accomplished during his tenure of office. His greatest achievement, however, was in preparing a history of Alpha Phi Delta.

During the greater part of the remainder of the meeting, motion pictures of fraternal events were shown to the delegates and visitors. Frank Pagano is also responsible for this great piece of work.

At the close of the meeting a picture was taken of the official delegates to the convention. A fine looking group who deserve a lot of credit for their conducting of the sessions of this convention.
